Subject: Pausing Region 4's Fresh Return Initiative for the Sam Nunn Atlanta Federal Center

Good Evening Colleagues:

Thank you for your efforts in our Fresh Return Initiative. Since we have seen an increase in rodent activity, we are pausing the initiative and ask you not to enter floors 10-15 until further notice. You may continue to visit the 9th floor mailroom/supply room, Security Office, and IT Help Desk services. These services will continue to be available. You may also continue to update your PIV Badge in the SNAFC cafeteria. We will let everyone know when we will resume the Fresh Return Initiative and can return to the 10th – 15th floors.

Best regards,

Vickie H. Tellis

Director, Mission Support Division
